Bureau of Information

A bureau of information will be maintained by the management at the secretary's office in the Administration Building.

The Des Moines Chamber of Commerce and the Des Moines Automobile Club will maintain a bureau of information in a building on the south side of Grand Avenue between the Varied Industries Building and the Administration Building. Any information pertaining to the city, condition of roads, etc., will be cheerfully furnished State Fair visitors.

Day Nursery

A Day Nursery will be maintained in the Women and Children's Building. This will make it possible for mothers with small children to attend and thoroughly enjoy the fair by leaving their children in the care of the nursery. Trained nurses will be in attendance each day and a fee of 25 cents per hour will be charged for this service. All mothers will be required to furnish food for their children.

Women and Children's Building

The Women and Children's Building is a beautiful structure located on the hill east of the Stock Pavilion and Agricultural Building. The location is ideal, overlooking the main portion of the grounds and exhibit buildings.

The rest rooms are large, well ventilated and comfortably furnished. The

spacious porches offer a resting place for hundreds of people.

In addition to rest rooms and other conveniences for women and children, the building contains many exhibits and educational features, among which are the Baby Health Department, Day Nursery; where babies may be left in care of trained nurses, Women's County-wide Project Exhibits by Farm Bureau Women, Public Health exhibits, and a room set aside for daily demonstrations in domestic science; also a large auditorium in which programs of interest to women are given daily.

Emergency Hospital

An emergency hospital will be maintained on the grounds east of the Women and Children's Building by the Iowa Division of the American Red Cross. A skilled physician and a trained nurse will be in charge day and night. The management provides the hospital building and furnishings, but each patient is expected to pay a reasonable fee for services rendered.

Check Room

Check rooms in charge of reliable persons will be located west of the Stock Pavilion, at the entrance of the auto parking grounds and in the basement of the Women and Children's Building. Packages may be checked at a nominal fee.

Post Office

A substation of the Des Moines Post Office will be located on Grand Avenue, northeast of the Agricultural Building. The office will receive and distribute mail, sell stamps, postal cards and money orders.

J. P. MULLEN, FONDA
President Iowa State Fair and Exposition

Press Bureau

The Fair will maintain a press bureau in the Administration Building with a competent person in charge. Manifold copies of the awards in the live-stock departments, daily programs, special orders and announcements, official decisions and all other matters of interest or value to the public will be furnished to the press. Representatives of the press at large, who may be assigned to or visit the fair, are cordially invited to make this their head-quarters and avail themselves of the facilities offered.

Express

The express company's office will be found in a booth east of the north entrance to the Stock Pavilion. All express matter intended for delivery at the grounds should be marked and charges prepaid to the State Fair Ground, Des Moines. All express sent to individuals or firms in care of the secretary will be found at the express office.

Railway Offices

All of the leading trunk lines will have a consolidated office in a booth east of the north entrance to the Stock Pavilion for the transaction of business and furnishing information relative to freight and passenger rates, departure of trains, etc.

Telegraph Offices

A branch station of the Western Union Telegraph Company will be maintained in the lobby of the Administration Building.

Telephones

A complete telephone system is maintained at the grounds by the North-western Bell Telephone Company. Connections may be had to any part of the grounds, free; a toll fee of ten cents for down town connections is charged. The central office will be located in the southeast corner room of the new Educational Building and Grandstand.

Administration Offices

All the officers and superintendents of the Fair will have offices in the Administration Building. This is a very handsome and useful office building, located in the center of the grounds. A cordial invitation is extended to everyone to make the building their headquarters while at the Fair.

General

The management will consider it a kindness if persons will report any mistreatment or extortion practiced by any employe of the Fair or concessionaire. They also ask for immediate information regarding the sale of intoxicating liquors.

Mrs. H. W. Spaulding, Chairman

This program, featuring drama, art, recreation and ways and means of making our homes and surroundings more attractive and our life in the community more useful and helpful to each other, has been prepared for your entertainment. Music also will form a part of each daily program.

Farm Bureau plays will be presented from the following counties: Poca-

hontas, Warren, Benton, Wayne, Poweshiek and Madison. The best one act plays for rural communities will be shown in these programs, each play having been chosen as the outstanding one in county drama festivals or tournaments. These programs are a fine demonstration of the "home made happi-

ness" project, a prominent feature of Farm Bureau work.

The Iowa Parent-Teacher's Association will again present a daily program. Music and several plays portraying various lines of work in which the association is interested will be given. An unusual feature of this program will be the song-fest, conducted by Professor C. A. Fullerton of Cedar Falls, whose ability as a choral leader is well known, not only in Iowa but through-

Home Economics specialists, through the Extension Division at Iowa State College, will contribute programs helpful to mothers and home makers. Mothers recognize the fact that environment is important in molding the lives of their children. Home arrangements and equipment which aid child development will be presented by Mrs. Alma Jones, Child Development and Parent Education specialist. Miss Emma McIlrath, clothing specialist, will tell of timely things helpful for mothers who plan, buy and make much of the family clothing. Miss Ruth Cessna, nutrition specialist, who believes that mother's job is to be well informed, will tell of the important part which food plays in maintaining the health of the family; Miss Harriet Cookingham, home management specialist, has learned that women are anxious to be prepared and trained for their profession of home making, and will give efficiency helps. Miss Nora Workman, home furnishing specialist, will use for her theme "Our children are being raised in the twentieth century." Mothers are interested in making the home a modern background for their varied activities.

The Ames Marionettes, who delighted State Fair audiences in 1932, will present a novelty program this year. Their specialties will include, Ichabod the Bony Man; Two Dragons; Marie the Toe Dancer; Zingarella, the Gypsy; The Under Seas Ballet, and the Clown Act, featuring Shorty the Clown, the Donkey, Trick Dogs, Boscah and Bosca, Jr. Especially for the children the Marionettes will produce the fairy tale plays, "The Three Wishes," "The

C. E. CAMERON, ALTA President Emeritus Iowa State Fair and Exposition

Musicians of Bremen," and "The Three Spinning Fairies." The Ames Marionettes were started five years ago as a play project by Bruce and Eugene Armstrong, Ned Coover and Herbert Plagge. With the aid of their parents it has developed into a professional troupe with complete stage equipment. They have about 100 marionettes and 15 animals. The marionettes, the properties and the stage have been made by the groups. In addition to fairy tales and specialties their repertoire includes the Fairy Scenes from Midsummer Nights Dream, Dickens Christmas Carol and the old German Marionette play of Faust. They are preparing and will soon have ready to present, Pierre Patelin, a French rogue play of the seventeenth century. The Ames Marionettes have presented their plays innumerable times in school auditoriums, before clubs and in theatres. The Des Moines Drama Association said of the Ames Marionettes, "The members of our Board who saw the productions said they were the finest things that had been shown in Des Moines and we hope that we will have an opportunity to have you back."

"The Aeolians," a Des Moines ladies' quartet, noted for harmony and tone quality, who have been heard on radio, in churches, clubs and before many other organizations, will give a program every afternoon. This program is looked forward to with much pleasure by all who heard them last

year at the Fair.

Included in the program features presented each day in the Women and Children's Building will be The Green Room Players, under the direction of Hellen Marr Van Tuyl. State Fair audiences have had the opportunity of seeing the work of this group of young actors for the past six years, and a packed house greets each performance. One act plays are presented each afternoon and a three-act comedy in the evening. Hellen Marr Van Tuyl is an experienced and capable director, teacher and dramatic artist prominent in Des Moines and state dramatic art and music. This season the Green Room Players will use all original plays written by the director and members of the group. Among the plays presented will be "A Sure Cure," "Woman Hater," "She Took Up Golf," all comedies. As an added feature they will be assisted by singers and entertainers in the presentation of "The Music Mart," an original entertainment written by Mrs. Van Tuyl and especially suited for use by clubs and community groups. Conferences will be gladly arranged with community groups and others interested in amateur dramatics. A three-act mystery comedy, "Who's Crazy Now?" will be presented each evening except Sunday and Tuesday in the auditorium of the Women and Children's Building. This play is full of thrills and laughs and will provide a full evening's entertainment for both old and young. For this play an admission fee of 25 and 10 cents will be asked, with no reserved seats:

A group of rollicking singers and entertainers, the Buzzington Revellers, provided by the Fair management will present a brief program each afternoon. All who have heard this group over the radio will want to see and

hear them.

Marie Barnes Flanagan of Des Moines presents her dance pupils in a daily program of novel and authentic numbers. Several interesting scenes are included in each program, demonstrating every type of dancing. All costumes are original creations designed by Mrs. Flanagan and executed in the costume shop in the Des Moines Studio. Mrs. Flanagan is a member of the American Society of Teachers of Dancing and is constantly in communication with the most important studios in this country and abroad. The audience will be interested to know that pupils from Norwalk, Ames, Huxley and Story City are taking part in these programs as well as those from Des Moines. A studio is maintained in the Sheldon-Munn Hotel at Ames and all instruction is given personally by Mrs. Flanagan. We always look forward to this group of dances as a beautiful ending to the daily programs. Mrs. Flanagan will be glad to meet and confer with any one interested in this program, either in her studio in the Fine Arts Building, Des Moines, or at the State Fair following the daily programs.

Georgia Byrne, Cass County......Southwest District The day has been designated as Iowa Public School Music Day. The program has been arranged with the cooperation of the State Fair Board, State Department of Public Instruction, County Superintendents of Public Schools

and Superintendents of various City Schools.

The program will begin at 2:00 p. m. in front of the Grandstand, with a Rural School Chorus of several thousand children who will sing a group of twelve or fifteen short songs. The chorus will be directed by Prof. Charles A. Fullerton, the originator of the choir plan of teaching music by means of the victrola.

Following the Rural Chorus, there will be a group of songs by a massed Iowa High School Chorus of one thousand voices, directed by Prof. Talbert

McRae, Director of Music, Iowa State College, Ames, Iowa.

The third part of the program will consist of band music. The Eldora Training School Band will give a marching demonstration. The skill and precision of these boys in the marching band is almost perfection. Immediately following the marching demonstration, the massed bands, approximately seventy-five in number, will march in colorful parade in front of the Grandstand on the Rack Track.

The closing part of the program will be a group of five numbers played by the massed bands, under the leadership of Prof. Karl L. King, band director and composer of band music. Three of the numbers played will be compositions by Professor King.

While the various groups move into place, music will be furnished by

bands stationed on the stages in front of the Grandstand.

WALLACES FARMER Lowa Homestead

Good Farming; Clear Thinking; Right Living

extends to state fair visitors a cordial invitation to visit its headquarters in the east end of Varied Industries Building and to visit its large and attractive plant at 19th Street and Grand Avenue.

We like to get better acquainted with our farm friends and to confer with them about matters of mutual interest. We like also to meet manufacturers and their representatives on the occasion of their visit to the state fair.

Our headquarters in Varied Industries Building are maintained from 8:00 A. M. to 6:00 P. M. Our plant at 19th Street and Grand Avenue, where nearly 200 people are employed, is open for inspection by visitors from 9:00 A. M. to 4:00 P. M. It is one of the largest and most complete printing establishments in the West, and on Tuesdays, Wednesdays and Thursdays our folks can see the paper being printed on the largest farm paper printing press in the world. It is a real sight.

Wallaces' Farmer and lowa Homestead reaches approximately 95 per cent of the farm homes in lowa. It studies the needs of every member of the farm family and is a welcome visitor to all.

Come in and get acquainted with us. We are friendly people and like to meet our friends on the farm as well as our friends in the manufacturing business who are patrons of our advertising columns. If there are any questions you wish to ask with regard to farm crops and livestock or with regard to lowa and its agricultural resources, we have the information available. By all means, come in and get acquainted.
